

# How to Edit Your PDF

Download FREE Adobe Acrobat Reader from this link:  
<https://getadobe.com/reader/>

Download your purchased file from Etsy: Etsy will send you a download link, or you can find the link in your Etsy account under "Purchases and Reviews"

Open your downloaded files in Adobe Reader DC: File > Open.

Add your own text - Click in the area where the text is and type your own wording. You can change the Font Size, Style or Color: for PC users, CTRL + E for Mac users, CMD + E

Save & Print: Save your Printable: Go to File > Save as > *New Name*. Print on white cardstock and trim along edges.
